

**KASK's ELITE LADY – *Be the Center of the Winter World***

KASK is proud to introduce a model of top quality and design for female skiers who wish to convey charm and elegance.

ELITE LADY is made with the same technical characteristics as ELITE, with greater attention paid to the finer details: inner soft velvet padding decorated with floral embroidery, cap made with soft treatment, a floral pattern on the outer shell matching the inner one, and original Swarovski® brilliant set on the front of the cap, forming the KASK logo.

Once again KASK has created a work of art. KASK remains devoted to elegance as well as technological innovation in all of their sportswear design, of which ELITE LADY is a prime example.
