

KASK's EVO FREE MOUNTAIN – *Freedom to Dare with Safety and Style*

The natural environment of mountain skiing world attracts the most passionate skiers. Racing down snow-covered wild mountains with no limits or borders can be a real adrenaline rush, though it comes with a number of safety risks.

Fully aware of the pleasures and the risks of the sport, KASK strives to ensure the safety of every rider, as always committed to style, design, technology and only top-quality materials in the manufacture of its products, made entirely in Italy.

EVO FREE MOUNTAIN from KASK will suit the beginner as well as the expert mountain skier. The 3D lining and roll-fit sizing adjustment system allow for perfect fitting, vanilla-colored leatherette ears and chrome tripod contribute to the style, and a strap block is included for skiers who use goggles instead of a KASK visor, as in EVO LADY.

The polycarbonate cap is painted in soft-touch treatment, accommodating the pro skier on the lookout for something exclusive and out of the ordinary.

EVO FREE MOUNTAIN helmets are available in white, black, and chocolate.

KASK's EVO FREE MOUNTAIN helmets are manufactured with utmost attention to detail in the goal to protect the adventurous mountain skier in the best possible way.
